9-year-old Memphis Haraldson warms up her voice during her singing lesson from Sarah Ward

THE POWER OF MUSIC

By Glenda Pryor

Singing and music play an important role in our culture. You'll find music present in many aspects of our lives: television, theater, worship, government, and celebrations. Music is a natural part of our daily experiences.

From birth, music is used to calm and soothe children, and as we grow, music is used to engage and interact. Sarah Ward, a music & band teacher, wants to share her knowledge of music by providing private voice lessons in her home. Students like Memphis Haraldson learn how to increase their vocal range, how to read music, and sing to written music.

A toddler program, designed by Sarah called "Play, Sing, & Move" is being held at the Dundurn Community Hall's Lions Room with two age group classes: 18 months up to age 3 and ages 3 to 5.

"Music is beneficial at an early age" stated Sarah. "The benefits include cognitive, social, and brain development, toddlers learn new words, rhythm, and movement".

Why is music so important? Simply put, it provides joy.

For more information regarding classes please contact Sarah at 306-380-0899.

LIBRARIAN'S CORNER - BOOK REVIEW

Masters's tantalizing mystery" **Publishers Weekly**

Jadon Glover is good-looking, professional, reliable and a perfect husband, according to his wife. So when he fails to return home one miserable March night, she rings the police, certain that something has happened to him. DI Joanna Piercy and DS Mike Korpanski are sceptical: there is no such thing as a perfect marriage. So what is the truth about Jadon?

Makey Makey GO allows today's tinkerers, dreamers, and makers the mobility to invent anytime, anywhere.

Makey Makey GO enables you to invent on the go – and

change the world – with the snap of an alligator clip, transforming everyday objects into Internet touchpads.

- Turn everyday objects like bananas into touchpads!
- Connect the world around you to your computer!
 Setup takes just seconds.
 Just plug, clip, and play! No programing knowledge needed. No software to install.
 Works with Mac and Windows.

MAYOR- PER VINDING

Hi folks.

It is nice to be back home.
We are back from a visit

with some family in Florida. By the sounds of it we picked a good time to be gone as it got down to -42° F while we were gone. Gator actually tastes pretty good.

Anyway.....

A Dundurn Crime Watch
Program is being formed. John
Barry from the RM and Jodi
Beamish from the Town are
co-ordinating the program for the
urban and rural area of Dundurn.
They will update the community
on the program in the upcoming
months.

The Dundurn Fire Board 2018
Budget was reviewed by Council
and not approved at this time.
We have asked the fire board to
review the budgeted expenses
as we have just spent approx.
\$80,000 in 2017, on our share of
a new fire truck, which still needs
to be recovered. We are also
updating the Fire Boards
Corporate Partner Agreement.

You may or may not be aware, but the Transfer Station, Sports Centre, Community Hall and Cemetery are jointly owned by the Town and RM. The Transfer Station and the Cemetery are managed by the RM. The Hall and Sports Centre are managed by the Town. The RM

approached us a few months ago regarding changing the agreement for the Transfer Station to be owned 100% by the RM and the Sports Centre to be owned 100% by the Town. We have reviewed the pros and cons and have agreed to remove our 50% ownership of the Transfer Station for 100% ownership of the Sports Centre. Town residents currently have curbside pickup and Loraas has a new green bin program available as well for people who used the transfer station for compost materials. After the agreement is completed there will no longer be separate Town and RM dumping bins and rates, it will be all owned and managed by the RM.

The Rink Committee had some great news regarding sourcing a new revenue stream at the rink, Spring Hockey! The month of April is booked for ice with several teams and weather permitting perhaps in May as well.

The Town also rejoined SREDA which stands for Saskatoon Regional Economic Development Authority, Council appreciated their commitment to provide service-based value by helping municipalities strengthen their local economy through help with marketing, forecasting and analysis among other services. The RM is also a member and we would like to see the Town and RM join forces on mutual issues for our citizens such as

better Wi-Fi services, traffic concerns and marketing the region for suitable urban and rural commercial development.

We would like to thank Ray Moskowec for his time as our volunteer EMO, we wish him all the best in his future endeavours. His resignation however, means we once again will be looking for a Volunteer EMO so if you are interested please contact the

Councillor Walter Litke recently attended the 2018 SUMA convention and he passed along an article by one of the key-note speakers, Author and former Alberta MLA Doug Griffiths called 13 Ways to Kill Your Community. It's a good read. Attached is the link if you are interested. http://www.sseer.ca/community/

Thank you to all that took the time to complete the new Sports Complex survey. For all those that were interested in joining a fundraising or steering committee, the Town will be hosting a casual meet and greet March 8. Please RSVP at the Town Office.

Finally, make sure to come see our booth at the 2018 Home Styles Show March 8-11 Booth 410. Congratulations to all the ticket winners.

Until next time, have a great day, eh?

LIVING A SWEET LIFE

By Glenda Pryor

When it comes to baking, Colleen Troesch has it pretty well down pat. She's been cooking and baking for over 40 years for family, friends, and restaurants including the Dakota Dunes Golf Links where she was employed for 11 years. When she left the Dunes Golf Links for a sabbatical to unwind from long hours, she had no idea what her next step in life would be. The first part of her journey, she traveled to Italy to recoup and get her wind back. Upon returning home, she opened her own house cleaning business, making her own hours was a good starting point for her.

But she craved more in her life. As Colleen pondered her next step, she was in her kitchen baking and that's when the answer came to her. Baking! It made her feel good! "I wanted to do what God wanted me to do. It's that simple," stated Colleen. "I'm doing what I love and that's what matters."

Her next step, she posted on Dundurn Buy and Sell Facebook page and that's when Mountain-view Manager, Wendy Englot, contacted Colleen to

Colleen working in her kitchen preparing a fresh batch of cinnamon buns for customers

discuss displaying her baking for customers to buy at the gas station "and from there, everything just took off and orders started pouring in." said Colleen.

She remembers buying baking from Dundurn's long time baker, Geraldine Griffin. "You were instantly hit with the smell of fresh baked breads. cakes, and cookies." recalls Colleen. She loved the smell and instantly felt at text at 306-241-5883.

home at Geraldine's. And that is what she wants her customer's to feel when they walk into her home. "The best part of my business is customers come to my house to pick up their goods, and if they have time for tea and a visit, Bonus!" said Colleen.

Colleen's new venture is called Colleen's Bake & Take and she can be reached via FB messenger or call or

An Act of **KIN**dness

Ву

Reaschelle Higginbotham

The Dundurn Fire Department would like to issue a tremendous thank-you to the ladies of the Saskatoon & District Kinette Club. On February 23rd, at the Shields Community Hall, the fire department

members and their families were treated to a fantastic turkey supper that was cooked and prepared by the Kinettes, led by president Glenda McTavish.

February 24th was host to the National Day of KINdness, a day for Kin Club members in Canada to celebrate their founding and commitment to serving their communities. The **Dundurn Fire Department**

appreciates the Kinettes for choosing them as the recipient of their wonderful act of KINdness for 2018.

We would also like to thank comedians Jenny Ryan, Dani Albert and Myles Morrison for their generous donation of entertainment to the department and Kinettes. We encourage everyone to use this example of generosity to pay it forward in our community in the future.

Bowl Making at The Hot Spot

By Glenda Pryor

Barb Sigurdson, (pictured right) an employee at DND's CFAD was one of ten people who signed up for the Glass Bowl Class on February 24th at The Hot Spot at Shields.

The class, an introduction to glass art was at full capacity with the attendee's making a recycled glass salad bowl taught by Joan Heibert (left). This is the second class the MFRC (Military Family Resource Centre) hosted since the fall, the first class was Mosaic Garden Glass.

DUNDURN SCHOOL PRINCIPLE - CHERYL SHIELDS

The best Valentine's Day gift was given to our school this year! Jamie Coulson, mom of Callie (Kindergarten) and Hayden (grade 3) shared her journey of publishing a children's book, Thank-you for the Sun. From the start - with an idea about a children's gratitude book, to the moment she held her book in her hands – at least two great lessons were modeled. Lesson one - hard work pays off, and lesson two cultivate gratitude and experience joy. Students had many thoughtful questions about the writing process. The main character looked a lot like Hayden, and even the teacher reminds us of our own Mrs. Catton. If you are interested in buying a copy, supporting literacy and local talent, copies will be available at the school's book fair on March 19-21st. Thank-you Joan Falk for organizing this learning and relationship building

opportunity!

The whole school joined together in the gym for a picnic Valentine's Day Lunch. The Dundurn Snack Program covered the cost. Students enjoyed pizza from Dundurn's Slice restaurant and cookies. Thank -you grade 5 class, Mrs. Schular and Mrs. Saelhof for organizing this event.

For Staff Appreciation Week we were showered with notes and goodies!
Thank-you to the good folks that make up our learning community. We are truly grateful to have the opportunity to learn and grow with your children. Special thanks to the SCC and parents led by Brand Denio (SCC Chairperson) who supervised on Friday to give our staff the rare opportunity to sit down and eat lunch together. At that time a booklet of appreciation was given to each teacher written

by the students along with a gift from the SCC for the whole staff! We felt very appreciated and thankful!

Thank-you to the SCC for completing our class set of cross-country skies! When the weather is right the skis are being used nonstop. It's amazing how the students pick up the skills. The huge smile on their faces and deep inhaling of fresh country air is an opportunity we are proud our children have. Thank-you Mrs. Fiedelleck for organizing and purchasing to provide this life long skill that increases physical and mental sense of wellbeing.

The next SCC meeting is March 28th (5:00 – 6:30). Everyone is welcome!

Student -Parent- Teacher Conferences
March 20 & 21st

INVITATION

The Town has completed its survey in the community regarding building a new Community Complex with a Rink. The survey results indicated there is a desire for a new facility, along with several community members interested in being part of a fundraising/steering committee for the project.

We have invited those interested parties to a meet and greet on March 8 to share ideas or just to listen to others about the project, further community engagement and fundraising concepts.

If you received your invitation we look forward to you and your guest joining us for beverages and hors d'oeuvres on:

Thursday, March 8 at 7:30 p.m. at the Dundurn Community Hall Legion Room.

If you would like further information regarding the project, please review the Complex Business Plan on our website under the Sports Centre tab at www.townofdundurn.ca. We will have copies available at the meet and greet.

Please RSVP at the Town Office - Phone: 306-492-2202 x 1 or Email: info@townofdundurn.ca

Thank you.

MLA BRONWYN EYRE

We heard from parents and educators that additional funding was essential to ensure that our

children receive the highest-quality education. This is why our government moved to provide Saskatchewan school divisions with mid-year funding of \$7.5 million, which will address front line pressures by helping school divisions hire education professionals immediately. That's in addition to a 2018-19 budget commitment to provide another \$30 million to hire 400 in-school

educational professionals and address school board priorities.

There is more work to do as our economy recovers, but it's encouraging to see confidence in our economy in both the short and long-term with jobs and investment. Employment is up, our unemployment rate is the second lowest in the nation, and with recent good news on building permits and urban housing starts, 2018 is looking to be a good year for our province.

Last month, Saskatchewan was

home to the fastest job growth in Canada, with 1,100 new jobs, lowering the unemployment rate by a full 1%. Building permits were up considerably in December, rising nearly 70% year over year (seasonally adjusted), the second highest percentage increase among the provinces, and the highest percentage increase in Western Canada. Saskatchewan's home-building industry is starting off the new year in great shape. Urban housing starts were up 123.5% last month when compared with January 2017, the highest percentage increase among the provinces.

Attention

RM of Dundurn and Dundurn Residents

If you are planning a Controlled Burn, there is a 24 hour Control Burn Reporting Line. Your report will be entered into the CAD reporting system at the Provincial Dispatch Center and will help reduce unnecessary responses. This line is monitored 365 days a year.

1-866-404-4911

Please Note: If you have reported a control burn and

it becomes out of control

call 911

and please inform them that you have a reported controlled burn that has now become out of control.

IMPORTANT!

If you do not report a controlled burn and the Fire Department is dispatched, you will be invoiced for the response to your locations.

We also ask that you provide this information locally, during regular business hours.

MONDAY to FRIDAY

DUNDURN UNITED CHURCH - REVEREND ANDREW APPLEDORE

I have just returned from a two month visit to Australia. It was wonderful to spend Christmas with my family, the first in 16 years. I also caught up with many friends whom I haven't seen for a long time. Having a circle of family and friends is important to each and every one of us and so is being part of a caring and nurturing community.

I returned back to work on Feb 13th, Shove Tuesday. The other name for this day, Pancake Day, comes from the tradition of using up all the fattening ingredients in the house before Lent, so that people were ready to fast during the Lenten season. The fattening ingredients that most people had in their homes were eggs and milk. A very simple recipe to use up these ingredients was to combine them with some flour and make pancakes!

Both the Dundurn and Hanley United Churches hosted pancake suppers with many people from the community coming to enjoy pancakes and sausages, although traditionally I don't think sausages would have been on the menu! It was a great night of food and

fellowship.

Sharing meals together is indeed one of the ways we can strengthen our communities.

Each Monday from 11am-1pm, Hanley United Church hosts a soup and sandwich lunch at the Hanley Community Centre. While this is a fundraiser for our congregation it does however offer the opportunity for people, including many seniors and people who live alone, to share a meal with friends and make new friends. This is just another way our church seeks to strengthen our community.

Friday March 2nd is World Day of Prayer. World Day of Prayer is a global ecumenical movement led by Christian women who welcome you to join in prayer and action for peace and justice. This year women from Suriname, a country in South America, have prepared the liturgy for this service.

The World Day of Prayer service in Dundurn will be hosted by the Gospel church. Members from other churches in Dundurn and surrounding areas will also be taking part. This ecumenical service is opportunity for our community to worship together and to learn of the justice work being down around the world. The service begins at 7pm. I hope you can join us.

Blessings,

Rev. Andrew Appledore Minister, Dundurn and Hanley United Church.

LORAAS ORGANICS SYSTEM

Loraas has adopted the fully integrated GORE® Cover technology for the treatment of your organic waste. This system provides optimal results with consistent high-quality compost while effectively controlling emissions and odours. The GORE® Cover system is scientifically proven to work and meets strict regulatory requirements. This unique design is capable of processing up to 28,000 tonnes annually reducing harmful landfill emissions and diverting 40% to 70% of our current waste stream from the landfill.

COST-EFFICIENT SERVICE

Organic waste accounts for a large portion of the current waste stream. By placing your waste in the right place, our Organics program can easily and effectively reduce your waste outputs. Loraas will provide you with the highest quality of service and insulated containers for your organic needs. Sign up to get a green bin today!

ALL FOOD WASTE ACCEPTED

Our state-of-the-art composting facility allows for a large variety of organic waste including green waste, food waste, source separated organics, meat and dairy products and virtually all packaged foods. Our system alleviates previous composting issues such as meat, bones, dairy, fats, and MORE! We cannot accept biosolids or liquids.

YEAR-ROUND SERVICES

The GORE® Cover system allows
Loraas to provide year-round
services to our customers. Our
composting facility differs from
previous designs as it is not affected
by our Saskatchewan winters. Loraas
has invested in high quality
insulated composting container in a
large variety of sizes. Rain or snow,
your organic needs will be met.

REMINDER: SIGN UP IF INTERESTED

15 have signed up already!

DEADLINE APRIL 1

- Minimum 30 households must sign up for program in order to have organics pick up in Town,
- Program runs from May 1 to Oct 31 with bi-weekly pick up. Year round available too, just ask.
- Rate \$9.00 per month from May 1 to October 31.

Sign up today at the Town Office

306-492-2202

or email

info@townofdundurn.ca

- New Organic Waste green bin pick up program from Lorras,
- No more bagging your grass, or branches,
- No more piles of old garden waste laying around for someone to get rid of,
- No more begging your friends to use their truck for a dump run,
- An easy and convenient program that allow you to dispose of all your food and yard waste,
- To be processed into nutrient rich compost, rather than to waste at the dump.

PLEASE NOTE: All homes have finished basements and are 5 bedrooms

Plus: Finished Garages; Extra Wide Concrete Driveways; 9 Foot Ceilings on Main Floor & Basements; ICF Foundations;
Air Conditioning; Finished Basements; and so much more

- The comfortable family homes feature five bedrooms, three bathrooms, and inviting views of the prairies and the beautifully landscaped park. Barbecue with a view using the gas hookup on your oversized deck.
- Live in luxury with high end finishes including tile backsplashes in the kitchen, stunning hardwood, tiled bathrooms, and comfortable carpet in the finished basements.
- Open concept layouts with nine foot ceilings and distinctive design choices mean you'll stand out from your neighbours; these are not cookie-cutter houses.
- Properties surrounding the lake have walk out basements, and trees line the path to the park, inviting you to take a walk along the
 lake.
- The high building standards and energy efficiency mean you can sleep soundly knowing you've made a great investment now and
 for your future.
