PHASE ONE TO START THIS SUMMER

Submitted by:
Kaitlynn Roberts

Skateboarding, trick shooters, and BMX bikes are making a comeback. That's why the Dundurn Rink Committee has been working tirelessly on building an outdoor skate park for the youth in our community and surrounding areas to enjoy.

The Committee has been lucky enough to receive a couple grants from Community Initiatives Fund, and Dakota Dunes Community Development Corporation. With these grants, various donations, and other fundraising ventures; the Rink Committee is excited to announce that they have enough funds to start building phase one of the skate park this summer; which will be a 4,800 square

foot cemented area, with three skate park jumps, located north of the Seniors Lodge.

An open house will be held at the Dundurn Community Hall on Thursday, May 3 at 6:30 p.m. where there will be more information given out and an open discussion about the project. The Rink Committee welcomes everyone to come out to learn more or contribute

anything to the project.

Plans to continue fundraising for phase two of the park is underway, which will include a few more jumps. The Committee wants to thank everyone who has contributed into making this skate park a reality.

"You don't have to be great to get started, but you have to get started to be great" – Les Brown.

LIBRARIAN'S CORNER - BOOK REVIEW

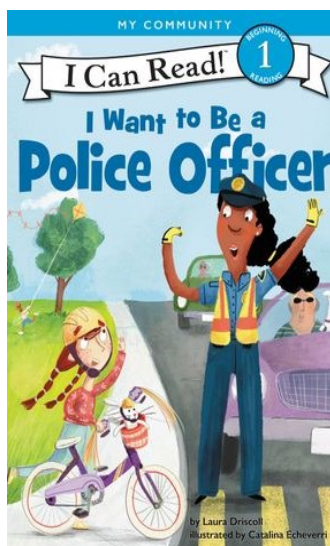

White Bodies

"A deliciously creepy psychological thriller."

Publishers Weekly

Explore the dark side of love and the unbreakable ties that bind twin sisters together.

Felix and Tilda seem like the perfect couple: young and in love, a financier and a beautiful, up-and-coming starlet. But behind their flawless façade, not everything is as it seems...

I want to be a Police Officer

With this story blending narrative with nonfiction elements, readers meet police officers who protect people, investigate crimes, and even work with trained dogs.

I Want to Be a Police Officer is part of a new I Can Read series that introduces young readers to important community helpers. This Level One I Can Read is perfect for children learning to sound out words and sentences.

MAYOR- PER VINDING

Happy Spring!

Finally, the weather is

getting nicer. Bluebirds, juncos, killdeer, ducks, robins, crows and geese have all been sighted. A good sign that spring is here.

A concern was brought to Council about the traffic on Railway Ave. It was felt that there was too much speeding and that it was becoming unsafe for kids either walking or riding their bikes on that street. (Adults too.) Council considered a digital speed sign with a cost of about \$5,000. It could be used on Railway Ave. and other streets as well. A walking/ biking path was also considered. Council decided not to go with the speed sign. Council had an engineer explore the option of putting in a paved walking/bike path along Railway Ave. on the east side of the street. CN owns the property on the west side of the street. The cost of the path would be approximately \$80,000.

Council is looking for other options.

I attended the RCMP Elected Officials meeting on April 11th. With the weather warming up we can expect to see more transient traffic in Town. Statistics show that most vehicle thefts occur with unlocked vehicles. Keep your vehicles locked to deter theft. The RCMP will be doing their spot checks in Town. You may get a little notice put under your wiper blade informing you that your vehicle was checked by an officer and letting you know if your vehicle was locked or not. The RCMP Officers are all being asked to pick a day to get out and engage the communities and let their presence be known. The RCMP encourages that any suspicious activity be reported. They can not respond if they are not informed.

Councillor Richmond and myself attended a two-day workshop on Conflict Management in Saskatoon. It was a very informative workshop.

I attended an information session in Elbow on the 21st. This was an information session on Aquatic Invasive Mussels (Zebra Mussels). Zebra mussels have showed up in Manitoba, Alberta and Montana. To stop the spread into Saskatchewan we need to be diligent in inspecting boats and trailers coming into the province. There are some check points on our borders at the busiest highways. Please inspect and clean your boat, live well and trailer when travelling between lakes.

Council sent a letter to our DAWWU Corporate Partners stating that we would be willing to meet and discuss our DAWWU issues before we look at third party mediation. The partners all responded stating that they are willing to go to 'binding' mediation. I guess they don't want to sit down and talk about the issues. Council will be considering options on what to do next.

Until next time,

Have a great day, eh?

DIVING IN! AND DOING WHAT THEY LOVE

By
Glenda Pryor

Two cousins, Royden and Jimmy Peters, are the new owners of the former *Poor Gary's Pub* in Hanley that has been ceremoniously renamed **O'Hanley's Den**. The cousins had always wanted to own a business that involved food, as their love of cooking brought friends and families together for dinners and bar-b-que's. Their passion for creating meals led them to research the food truck industry three years ago, but realized the investment would be too high and the feasibility wasn't sound.

Initially they hadn't planned on owning a pub! But when they spotted an online advertisement for the sale of a pub in Hanley, they didn't think twice about purchasing the business. The sale went fast stated Royden, "From the moment of seeing the ad to ownership was about 3-4 weeks, it was that fast!"

The two have received an

O'Hanley's Den Owners Jimmy Peters (left) and Royden Peters (right)

overwhelming response from the community and beyond. When they first opened their doors on April 16th, they thought they had enough food to last a month. Eight days later, they are working day and night slow roasting beef and pork, making burgers and hand cutting fries. Folks have come from Davidson to Saskatoon for their homemade fries and signature pulled pork and beef brisket sandwiches. Everything on the menu is homemade, with the exception of the appetizers and 2 out

of the 8 dipping sauces.

Jimmy stated "Merchandising is in the works, as people are wanting to buy our sauces, and expanding the building to include VLT machines and a kitchen to cook in." Right now they are changing up the colours to Rider green. The two want *O'Hanley's Den* to be a true Rider Den.

Location:

109 Lincoln Street, Hanley SK

BEAUTY THAT'S NATURALLY YOU

By
Glenda Pryor

The Beauty Bar is the newest addition to Karen Marshall's shop, *Kuts by Karen* located at 201 Dundurn Avenue.

Kimberlea Lissel rents space at the business, and provides spa services for men and women that include: waxing, brow threading, facials, pedicures, and massages.

Kimberlea is a graduate of Marvel Beauty College and gained five years

of experience as an esthetician in a Saskatoon spa. Kimberlea and her family moved to Dundurn 2 years ago and when an opportunity came up to join Karen's shop, she jumped at the chance as she has always wanted to have her own studio space.

Kimberlea plans on adding hot stone massage, lash lifts and extensions in the upcoming months. The Beauty Bar is open from Tuesday to Friday 10:00am – 7:00pm and on Saturday's from 10:00am – 6:00pm. You can contact Kimberlea via her FB page "The Beauty Bar", book online at thebeautybar.online or text her at 306-203-2530. **Location:** 201 Dundurn Ave, Dundurn SK at *Kuts by Karen*.

A WINNING FORMULA

By

Glenda Pryor

Four and a half miles east of Hanley is a hidden gem, Brightwater Greenhouse, owned and operated by Judy and Calvin Pauls. The nursery has been in operation for the past 21 years, and this time of year the Pauls are ramping up for an exciting new growing season. The greenhouse is full of vegetables, annuals, and succulents - all ready for the picking!

When the Pauls first relocated to the farm in 1987, they had no idea that they would be opening a greenhouse! Judy was working at the thriving nursery DayGrow Greenhouse, and it was while

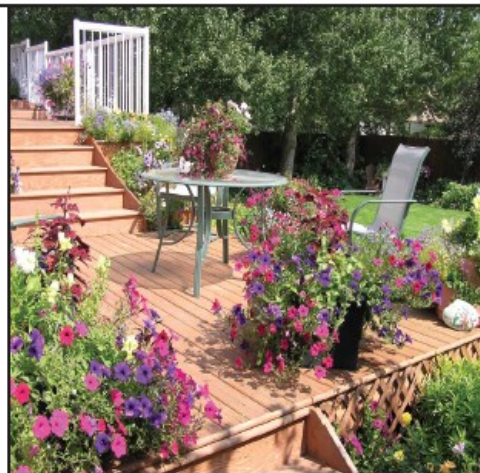

she was employed there that she learned about the greenhouse industry from DayGrow owner Brian Day. Judy and Calvin's love of gardening led them to decide to build a greenhouse on their property. As Brian mentored Judy at DayGrow, he encouraged them to build, even becoming their consultant.

They broke ground in 1996, building a 3000 sqft greenhouse and opened their doors to the public a year later. The following six years were a work in progress at Brightwater as they expanded by building a header house and two smaller greenhouses, to what it is today!

For the past five years, Brightwater has hosted a "Pumpkin Growing Contest" with all proceeds from the entries donated to the Ronald McDonald House (RMH) in Saskatoon. Brightwater donates annual flowers to RMH as well. Each spring the gardener from the facility makes his trek to Brightwater Greenhouse to choose a variety of plants, and when the time comes for planting, Calvin loads up the back of his truck and delivers the goods.

They officially open their doors for gardeners on May 1st. Their hours are Monday to Saturday 10 am to 8 pm, and on Sunday's from 12 pm to 4 pm. You can follow them on Facebook or Instagram "Brightwater Greenhouse". If you have any inquiries regarding planting or their varieties, give Judy a call at 306-292-6459.

Spring has finally Sprung!

Gardening Tips and Tricks for Beginners

Gardening is a great hobby to take up; it gets you outside, burning calories, and produces rewarding results.

Whether you're looking to grow some delicious produce or beautiful flowers, this tip and trick for beginners will get you started off on the right foot!

Location Location Location

Some plants are shade plants, others need sun, and yet even more plants are partial shade or sun! Don't overlook that part of your plant's description! Solution: Place your container garden on wheels or a trolley, so you can move it around in the event your selected spot doesn't get as much sunlight as you originally thought.

PUBLIC NOTICE is hereby given that the TOWN OF DUNDURN intends to consider the adoption of two bylaws (Zoning Bylaw and Official Community Plan) under *The Planning and Development Act, 2007*.

INTENT - The proposed zoning bylaw will replace the Town of Dundurn Zoning Bylaw No. 11-87 with an updated Town of Dundurn Zoning Bylaw 2018-01. The proposed new Bylaw will control the lands within the Town's boundaries.

The proposed Official Community Plan (OCP) Bylaw 2018-03 will provide a comprehensive policy framework to guide the physical, environmental, economic, social and cultural development of the Town.

LEGAL DESCRIPTION - The proposed Bylaws will affect all the land within the Town of Dundurn's boundary.

REASON - Council wishes to adopt and authorize compatible long-term land use policies that follow the OCP's vision for the district.

INFORMATION - Questions regarding the proposed Bylaw and OCP may be directed to following: Town of Dundurn Administration, Phone: (306)492.2202 (Eileen Prosser)

PUBLIC HEARING - The Town of Dundurn Council will hear all submissions on the proposed adoption. All persons who are present at the meeting and wish to speak on the proposed Bylaws are invited to attend the public hearing on Tuesday, May 22 at 6pm at the Dundurn Community Hall, 214 3rd St, Dundurn, SK S0K 1K0.

All written submissions for Council's consideration must be forwarded to: His Worship the Mayor and Members of Council, c/o Town of Dundurn, 300 Third Avenue, Dundurn, Saskatchewan S0K 1K0. All submissions must be received by noon, May 22, 2018.

NOTICE: ORGANICS GREEN CART PROGRAM

For those who have registered for the program:

- Your green carts should have will be delivered to your residence on **Tuesday, April 17**.
- Your first pick up day is **Tuesday, May 1** and every second Tuesday thereafter.
- Put your carts out before 7 am.
- **See Page 11** for the calendar schedule
- Remember all yard & food waste is acceptable.

See link for more details.

DUNDURN ELEMENTARY PRINCIPAL - CHERYL SHIELDS

A shout out to Mrs. Schular and the Grade 5 class for being our energetic Recess Guardians! They are leading by example on the playground encouraging their peers to participate in fun, constructive and inclusive games. By building leadership abilities and inspiring a healthy lifestyle, Recess Guardians help teach youth positive building blocks for their future in a safe and educational environment- all the while allowing them to create their own fun during recess.

A huge thank-you to the Dundurn School Community Council (SCC), for our beautiful new picnic tables! They are perfect as an additional learning space or a place to sit and have a snack in our back playground area. Three cheers for the SCC!

Speaking of SCC, our School Community Council supports student learning success and well-being and encourages parent and community involvement in the school. It is a rewarding and meaningful activity. If you would like to make a difference at our school, please consider participating as a member.

Our SCC election will be held Wednesday, May 9th, 2018.

Please contact the school office for more information and for nomination forms.

Successful schools don't just happen.

They need parent and community involvement!

Please refer to our school webpage for further details regarding the school (www.spiritsd.ca/dundurn). As well, contact us at the school with any questions or concerns that you may have.

Wilson Museum News

Submitted by
Ray Moskowec

Well, spring has finally arrived and it's time for the new season for the Wilson Museum. Official Opening of the Wilson Museum is the Victoria Day Long week-end. Wilson Museum will be open May 19, May 20 and May 21st, 12:00 till 4:00 pm every day that week-end. It will be open every week-end after that until the Labour Day long week-end. Further, anyone can call for a tour at any time in that period or during closed season. Please come out and enjoy the local museum, many new displays and history is available for your enjoyment.

The Museum Board held their AGM on Friday, April 20th, 2018 and the executive was elected for the 2018-19 season. President Ray Moskowec, Vice President, Deborah Mallough, Secretary-Treasurer (Position vacant-duties to be handled by Ray Moskowec), Directors, Patty Posnikoff, Al Zip and Julie Bingley are the "moving" force in support of the Museum for another year. An Audit will be conducted of the books by a selected accountant and will be available for the public later in the summer.

The Museum Community Bingo will continue over the summer period. This is a monthly Fun event,

open to everyone, how-ever, the 13 or so regulars within the community enjoy winning small prizes, having fellowship and fun like the old days in our communities.

To date, the Wilson Museum has had 10 visitors already for 2018 and is looking forward to breaking 2016's record of 400 visitors for the year. Just think, 399 visitors to go, eh?

The Campgrounds are open for the Public on the long week-end of May. The campground has fully equipped power 15V and 30V electrical outlets, Water hook-ups and sewer disposal. There are 10 sites available and the fee is \$25.00 per site per day. The campground is one of the ways that funds the operation of the Wilson Museum other than fund-raising and other means. So tell your friends, family (coming for reunions) that we have such a facility available. Bookings can be made by calling 306-491-8651.

The Wilson Museum is a non-profit

organization within the community to provide a service of historical data, visual display of historical items to keep the history of Dundurn and Area in the forefront of people's minds and for the youth of today. Main contact number is Ray Moskowec, 1-306-491-8651.

NOTICE

ANYONE WHO HAS DONATED ANY TYPE OF LARGE FARM MACHINERY TO WILSON MUSEUM INC. IN THE PAST AND WISHES TO HAVE IT RETURNED (UPON VERIFICATION PROOF) I.E. THRESHING MACHINES, PLOWS, CULTIVATORS, ETC.

PLEASE CONTACT RAY MOSKOWEC @ 306-491-8651 BY MAY 31st, 2018. IT IS PLANNED TO CLEAN - UP MANY PIECES OF EQUIPMENT THIS SUMMER. THE MUSEUM WILL KEEP ONE (1) ITEM OF EACH PIECE OF EQUIPMENT, BUT DOESN'T NEED FOUR (4) ITEMS OF ONE (1) ITEM TO BE RUSTING AWAY OR AN "EYE-SORE". THANK YOU.

MLA BRONWYN EYRE

Latest from the Legislature

Over the past decade of growth, Saskatchewan's expanded exports and new business investments have given our province the second-fastest rate of job creation and one of the lowest unemployment rates in the country. The 2018-19 Saskatchewan Budget will help to ensure Saskatchewan's economy stays on track, as we begin another decade of growth.

New business incentives in the 2018-19 Budget include the Saskatchewan Value-Added Agriculture Incentive under the Ministry of Trade and Export Development, and the Saskatchewan Tech Start-up Incentive under Innovation Saskatchewan.

The Saskatchewan Value-Added Agriculture Incentive creates a 15% non-refundable and non-transferable tax credit for new or existing value-added agriculture facilities that make a minimum capital investment of \$10

million to expand productive capacity. This fosters a competitive business environment and improves investment attraction and retention outcomes.

This year's budget also helps to ensure that our energy and resource sectors continue to lead the way by enhancing our oil and gas regulatory programs and by introducing a new Mineral Development Strategy that will encourage more exploration and help protect jobs.

The Fraser Institute has ranked Saskatchewan second out of 91 jurisdictions in the world for mining Investment attractiveness. Preliminary estimates indicate that the value of Saskatchewan's mineral sales for 2017 was about \$6.5 billion, up slightly from the year before, and the province remains a global leader in uranium and potash production.

Oil and gas is responsible for an estimated 15% of Saskatchewan's gross domestic product, and recent numbers—such as increased production, exploration, and revenue—have shown clear signs of renewed activity and

growth in the industry. Saskatchewan is the second-largest producer among Canada's provinces, accounting for an estimated 12% of the nation's crude oil production.

The world needs our energy, but our province has serious concerns that destructive policies and a lack of action from the federal government are doing more harm than good, making Canada an unattractive place for investment.

We have announced that Saskatchewan will join Alberta in introducing legislation to "turn off the taps" in order to put pressure on the BC NDP government to get the Trans Mountain pipeline built. The energy sector provides hundreds of thousands of jobs, billions in royalties and taxes that fund important public services, and major infrastructure such as highways, schools, and hospitals. Canadians depend on this sector's success. We need the federal government to step up to ensure investment is welcomed and encouraged in our country. Thousands of Canadian jobs and billions in additional economic activity hang in the balance.

Experience-'ing' Life

Do you walk, bike, climb, skate, ski, swim, hunt, or camp? Have you dined out, purchased a vehicle (or furniture), frequented a mall or a store, celebrated someone's special occasion at a favorite restaurant, or traveled to a desired destination? If you do, have, or are contemplating any of the above, you are likely confirming what I am being told authors, Joe Pine and Jim Gilmore, in their book, *The Experience Economy*, have uncovered: Whether its activities or the appetite, movement or a meal, people today want the 'ing' present in their experiences. In a vehicle, we want a driving experience; with new furniture, a sitting experience; a trip to the mall morphs into a shopping experience. We are into walking, biking, swimming, and camping with quality products obtained and used for the purpose of enhancing our experience and pleasure. We want our lives to be brimming with enjoyment and fulfilled

expectation.

I believe such an approach as this has some merit when considering our spiritual life also. Jesus promised in John 10:10, "I have come that they might have life, and have it to the full." (Today's NIV) However, proclamation usually bests practice when it comes to Christianity. More to the point, our rational expression of the Christian faith often trumps its relational counterpart. We use apologetics and arguments to advance our Christian faith more than participation and passion for, in, and with life. This ought not to be. And it is not an either/or consideration. Genesis 2:16 (eat freely) and Revelation 22:17 (drink freely), book end the entirety of God's revelation to us. And yes, in between is a diagnosis of our human condition which is not flattering in its appraisal of us (read 'all have sinned'), yet guilt is not the goal and judgment is not the final word uttered to us. "I have come

that they might have life, and have it to the full" is what Jesus Christ promises to us. In acknowledging my condition (as the Bible says, I am a sinner), coming to Him in repentance (which is a turnaround in life, not sinless –read 'saint required' – perfection attained first), and asking Him to come into my life and be my Savior, experience-'ing' the Christian life then becomes reality. There is much to learn but never forget, it is life to be lived!

In conclusion, allow me to offer two experience-'ing' expressions of this spiritual life which will result. Lov-'ing' is the first one, for it is how our Lord said others would truly know we are His followers (John 13:35). And forgiveness is the second. When we forgive as we have been forgiven, we most authentically mirror our Father in heaven (Ephesians 4:32).

Have a great day! God bless you

ST. GEORGE CHAPEL - CHAPLAIN GREGORY GIRARD

Dundurn and surrounding community,

This is a reminder that Sunday (Apr 22) we began Christian worship services at the Chapel.

The services will be held each week at the same time.

They start at 1830h, (6:30) and are for anyone interested in attending, military or civilian, from the Det or not.

There are some churches in the community that intend to support the services as well.

The service will be about an hour long.

We are not formally taking up an offering, but there will be a basket at the door for those who wish to support this ministry.

Come and worship the Lord with us.

Capt. Gregory J. Girard
