GATHERING IDEAS FOR THE NEW SPORTS CENTRE

By
Glenda Pryor

Some members of the New Sports Centre Steering Committee met May 29th, to review fundraising plans for the new facility in town. The Steering

Committee is a diverse group of Town, RM, and Shields residents who met at the community meet & greet in March and are now at the point of creating various fundraising initiatives and contacting potential donors to raise the funds needed to start the new rink.

At this meeting the committee were finalizing the details for their first fundraiser, which is a chili cook-off with cabaret and

silent auction with a tentative date set in July.

Any volunteers that are interested in helping to get a new Sports Centre in Dundurn are welcome to join the committee at anytime or offer to lend a hand any way they can.

Keep a watch for upcoming event details. For more information Contact Matt via email aj975@gmail.com or the town office.

LIBRARIAN'S CORNER - BOOK REVIEW

The go-to family meal guide to prepare tasty, satisfying

beef dishes in the slow cooker with more than 150 recipes sure to please anyone—making dinner hassle-free and deliciously diverse every night.

A wide range of flavors to choose from, classics such as Yankee Pot Roast and French Dip Sandwiches to more exotic dishes like Beef Biryani, you'll always have something new and savory to try for dinner.

Pig just LOVES attention. In fact, he's a great, bit SHOW-OFF. But when ANOTHER star appears at the photo shoot, Pig doesn't like it. No, Pig doesn't like it at ALL...

Based on Stephen King's 1986 novel, this terrifying clown movie builds "It's fright from fear 'It' self."

MAYOR- PER VINDING

Hello again,
How time does fly.
Here we are at the end of

May.

We did some re-considering on Council and decided to invest in a digital speed sign. There have been some complaints about speeding in Town and Council feels that something needs to be done to curtail the speeding. This sign can be positioned in various places and will be helpful in reminding speeders to slow down. There has been quite a bit of

speeding on Railway Ave. and Third St. It is not pleasant to watch some one speed through the stop signs with little regard for road safety. Please slow down while in Town.

We had the public meeting regarding the new Official Community Plan and the new Zoning Bylaw. It went well and there was some positive dialogue.

Council has made the decision to have all individually titled land, regardless of the lots abutting each other, assessed separately for 2019.

Canada Day is coming up so if you wish to be in the

parade contact the Town Office. If you would like to help out in any way with the festivities please contact the Town Office.

The Steering Committee for the new Sports Centre is up and running and have had their third meeting. They are going to be starting fundraising activities so watch for details.

The Skate Park ground breaking is coming up. By the time you are reading this, it may have happened.

Until next time, have a great day, eh?

THE GREAT CANADIAN TOUR “LA GRANDE TRAVERSEE”

By
Glenda Pryor

It started six years ago! An idea, founded by Laurent Brisebois, a francophone teacher in Greater Vancouver. His mission: for students in French Immersion schools throughout Canada to bike across our country to learn, explore, and to celebrate the importance of having a healthy lifestyle. It started with a small group, one truck, and one trailer. Today it has grown to hundreds of cyclists, travelling across six provinces covering more than 2000 km in thirty days.

The student's range between 12 and 17 years of age. On May 12th the group stopped in Dundurn for a scheduled 20 km rest and to fuel up with a healthy snack before continuing their journey to Regina, where they will spend the night. The group will then travel by bus from Regina to Penetanguishene ON before continuing on their biking journey.

Every five days a new group takes part in the tour, all coming from different

parts of Canada. Travelling with them in six units are 11 drivers, 2 cooks who prep the snacks and RCMP escort. Various French Immersion Schools in Canada act as hosts by providing shelter for the night and feeding the group supper.

The La Grande Traversee tour started in Victoria British Columbia on April 30th and will end in Charlottetown PEI on June 16th.

BUSY DAY FOR FREE DUMP DAY

Floyd Archibald greeted everyone with his usual banter on May 12th for Dundurn's Free Dump Day when town residents took advantage of cleaning up of their property on the annual event.

The transfer station was so busy that the town's Public Works Supervisor, Trevor Richmond, came in to assist Floyd with directing people to where they had to take their trash.

"Approximately 140 trips were made to the dump from the town that filled over three 40-yard bins and even they had to be punched down over 8 times in each one to fit all the garbage", said Eileen Prosser from the town office.

Realtors vehicles lined the streets of Sunshine Meadows

GRAND OPEN HOUSE EVENT

A SUCCESS!

Submitted by:

Betty Blackstone

The Town of Dundurn's newest neighbourhood, Sunshine Meadow's, launched their official Grand Opening on May 23 with a realtor open house.

It was bumper to bumper parking when realtors, Elizabeth Irving from Boyes Group Realty Inc. and Shawn Johnson from RE/MAX, arranged the open house which saw over 114 different

realtor professionals come into town to view the parade of homes, park and lake.

Realtors commented favourably on the competitive house prices offered and noted the quality construction and finishing details that ensured a new home owner many years of proud ownership.

Development owners, Brian Collins, Brendan Connolly and Rob Gable were on hand to answer any questions and to talk about further development plans for entry level homes and town-houses.

The developers, who also own the popular Bachas Restaurant in Puerto

Vallarta, Mexico and the famous Ruth's Chris Steak House's in Alberta offered their guests a special Ruth's Chris steak BBQ lunch after their tour of the show homes.

Sunshine Meadow's marketing director, Roger Grona from Firebird Marketing, was impressed with the turn out and pleased to let those in the industry know the town is ready for both commercial and residential growth.

A Family Fun Day Open House will be held on Sat. June 16, to show the parade of homes to anyone that would like to stop in. There will be activities, treats and Live on location 92.9 *The Bull* and 98 *Cool*, all are welcome.

DUNDURN ELEMENTARY PRINCIPAL - CHERYL SHIELDS

It was a month at Dundurn Elementary School filled with growing happiness and giving to our larger community!

We showed respect for our environment by picking up garbage throughout the town.

Teachers from our school, hosted teachers from another school, who were interested in our outdoor learning space. We shared how we use the outdoor space to enhance student engagement and learning.

Vera & Werner Falk and Erin Bentley joined the grade three class to share stories about compassion and giving to the Cancer Clinic. Vera & Werner explained how they work together to create piles of quilts. Erin told us how she gives the blankets to comfort families dealing and coping with cancer. The students described how they raised money by selling candy grams and gave the money to the Falk's so that they could make more blankets.

Students 'Jumped Rope for Heart' to raise funds for the Heart &

Stroke Foundation. Cut out paper hearts with students' intentions were placed on our gym walls. "I'm jumping for my grandpa." "Grandma I'm so sorry you are sick. You are the best." "I'm jumping for the Humboldt Broncos." So far we have raised over \$4000 dollars and the amount is still growing.

June promises to be a fun filled month with celebrations, field trips and preparing for the next school year. Our grade six class will join Hanley's grade six class to do various transition activities to develop relationships for next year. Thank-you to Hanley for hosting a BBQ to welcome our grade six students.

Our bell schedule will change next year to align with our sister schools. The start time will be the same at 8:55 and the day will end at 3:07. Please refer to our school webpage for further details regarding the school (www.spiritsd.ca/dundurn). As well, contact us at the school with any questions or concerns that you

may have.

June 1 - @ Hanley – Track and Field Meet/ Play Day (including Kindergarten)

June 4 - Volunteer Appreciation Celebration

June 4 - Booster Juice Sale – SCC sponsored

June 7 - Year End Band Celebration (1:00)

June 8 - Pizza Lunch School Snack Program

June 15 - Pre-K Last Day

June 21 - Bike Rodeo

June 22 - Try-all-athon (no Kindergarten)

June 27 - Kindergarten Graduation (am)

June 27 - Grade 6 Farewell (pm)

June 27 - Last Day of School for Students – Term 3 Progress Report

Have a wonderful summer!

MLA BRONWYN EYRE

Saskatchewan has submitted 11 projects to the Government of Canada's Low Carbon Economy Fund, which includes

\$1.4 billion for provinces and territories that have signed the Pan-Canadian Framework on Clean Growth and Climate Change. This includes \$62 million of federal funding earmarked for Saskatchewan and supported by Saskatchewan taxpayers.

Saskatchewan didn't sign the Pan-Canadian Framework because it prescribes a national approach to carbon pricing – a federal tax that most Saskatchewan people and businesses are against. We are committed to reducing emissions, and we don't need a carbon tax to achieve that.

The projects we've put forward for consideration will reduce greenhouse gas emissions by an estimated 188 million tonnes from energy and power production, water, forests and agriculture.

Our made-in-Saskatchewan Climate Change Strategy is designed to make our province more resilient to the climatic, economic and policy impacts of climate change; and we look forward to the federal government working with us on projects that will actually reduce emissions.

The Governments of Canada and Saskatchewan have signed a bilateral agreement outlining how the province plans to invest its share of targeted federal health care funding. We will

invest in a range of initiatives to expand home and community care, as well as mental health and addiction services. These include:

Establishing Community Health Centres and teams to shift the delivery of care from hospitals into community settings;

Improved access to palliative and end-of-life care to provide care at the right place, by the right providers, at the right time;

Improving mental health services for youth through targeted training programs;

Expanding internet-delivered cognitive behavioral therapy services; and

Improving mental health services and supports for children, youth and families, through increased capacity for diagnosis and treatment.

Nurses are highly valued members of the health care team, and their contributions are key to quality care for Saskatchewan residents. The number of nurses in Saskatchewan is now higher than it has ever been with 3,700 more nurses providing services today than in 2007.

In total, more than 16,000 nurses are licensed to practice in the province, including registered nurses, registered psychiatric nurses, nurse practitioners, and licensed practical nurses. While we are pleased with this growth, we continue to work with partners to recruit for vacant positions across the province.

Whether you're a family heading back to your favorite park to unwind, or an

adventure-seeker looking to explore, every provincial park has a unique experience as well as a variety of programs, events and activities to keep busy.

Learn to Camp is designed to introduce beginner campers to skills and activities that are useful for a successful and memorable camping experience.

A new Camp-Easy, Equipped Camping program is being offered at Echo Valley, Buffalo Pound and Pike Lake Provincial Parks. These unique accommodations are a great option for families, first-time campers hoping to experience the outdoors or anyone who does not own camping equipment.

The Ministry of Parks, Culture and Sport continues to invest in provincial park facilities and infrastructure to provide the best experience possible for visitors. With planned expenditures of more than \$11 million for capital projects and maintenance in 2018-19, total investment in parks capital facilities and infrastructure since 2007 will reach \$110 million.

If you're planning to spend some time in our parks, keep an eye out for provincial fire bans and advisories. A complete listing of all affected provincial parks and recreation sites can be found at www.tourismsaskatchewan.com/places-to-go/provincial-parks/fire-restrictions.

The Dundurn Library Board would like to sincerely Thank all those who supported the steak night fundraiser on April 21. We would like to acknowledge all those who attended, those who donated raffle prizes, and everyone who contributed in any way to the success of the event. It was wonderful to see so much community support for our local library!

HANLEY SCHOOL PRINCIPAL - CHRIS TUCKER

GRADUATION

JUNE 8

Since the nice weather of spring and summer finally hit us, the month of May seems to be racing by us. Once again, this is the time of year for school visits, field trips, track and field practices, and spring activities inside and outside the school.

We are fortunate to continue to have many comments come in to the office about what great students we have here at our school. I love to be reminded of that fact and want to make sure you as parents of our Hanley and Dundurn community's areas hear it as well. From Work Experience placements, to sporting events, to guest speakers, to visitors in the school, we hear so many good things about how the kids conduct themselves and that we should be proud. We are and continue to be happy to work with them.

Plans for graduation continue to move forward as well as preparations for students' lives after grade 12. If you have some questions about courses that we can help answer, or have some developments about future plans

**FINAL EXAMS
GRADES 10 - 12
JUNE 22 - 27**

that you'd like to share, we'd always love to hear about what the students are planning on doing once their lives here move on. I continue to update the bulletin boards in the high school wing upstairs with program information and links or information for scholarships and bursaries. It takes some time to apply for most of them – students need to be proactive and start early.

Congratulations to our Drama club that had another great year and such good reviews at Provincials again this year. They received a number of awards and once again were lucky to see some great productions from other high school students. While they did not walk away with the provincial title this year, I do believe they gave a provincial-grade performance! Way to go, Mrs. Griffin, Mr. Hutchinson and the cast and crew! We're very proud of you all!

The last athletics season of the year is wrapping up in the next couple weeks as track and field conference day was last week and Districts are at the end of this week. It's the last sports season in our school each year and it

**LAST DAY OF
CLASSES
& REPORT CARDS
JUNE 27**

coincides with Elementary Track & Field and Play Day for the K-6 running June 1st.

We're preparing to present our Learning 4 Life presentation about our School Goals around Literacy that we present to the division each year at the end of May. Our school-wide reading plans as well as many cross-school interactions between class activities and reading groups have made strides in student reading results that will benefit students in their upcoming years of school work as well as their future career choices.

I'd like to encourage all the students to make all the effort needed to finish strong this year and if they have final exams, to give themselves lots of time to study.

Well, that's all for now. For further information and up-dates from the students and classrooms, check out our school website at <http://blogs.spiritsd.ca/hanley/>. As always, Mr. Anderson and I would love to talk to you if you have time to drop by the office or give us a call. Take care and I'll talk to you soon.

DUNDURN UNITED CHURCH - REVEREND ANDREW APPLEDORE

Spring is one of my favourite times of the year. It is also a busy time of the year. Once the risk of frost is over gardeners are soon out planting their vegetables and flower gardens and when the ground is ready farmers are busy seeding their fields. It doesn't take long for the prairies to come back to life once winter has released its cold grip on the earth. Nature is truly remarkable.

To celebrate the onset of Spring the Dundurn United Church held a craft and bake sale aptly called Spring Fling and the Hanley United Church held its annual Mother's Day tea serving angel food cake and strawberries of course!

In April and May, we also welcomed four young children into the community of faith through Baptism. These baptism services, held in Dundurn and Hanley, were a celebration of new life, of God's love for all, and of the joy and blessing these young children bring to their families.

As we head into June summer is now on everyone's minds. In the coming weeks grade 12 grads will begin across the province and it won't be long before school will be winding up for another year. The United Church will also be taking a break in the summer months. There will be no worship services held during July and

the first two Sundays in August. Worship will resume on Sunday August 19th. Please, note the change of time for services. Beginning August 19th worship in Dundurn will commence at 9:30 A.M and in Hanley worship will start at 11:15 A.M.

On behalf of the Dundurn United Church I wish you all an enjoyable summer whether you are taking holidays, or going to the lake on weekends, or just spending time at home. May your summer be one of rest, relaxation and fun spent with family and friends.

Peace and Blessings

HANLEY 4-H BEEF CLUB

Submitted by:

Callie Steen & Kylie Willms

The Hanley 4-H Beef Club consists of 17 members. The purpose of our club is to learn about agriculture, raise a beef project and be part of our community.

The Hanley 4-H beef club had a great year of learning! Some of the highlights were the Co-op feed mill tour, where we learned how livestock

feed is manufactured. The Model Meats tour where we learned about beef processing, and the Saskatchewan Beef Expo cattle show, where we exhibited our 4-H projects. We are proud to say that we took home Grand Champion Steer and Heifer! We recently held our annual Demonstration Day at Haaland's farm, we practiced all of the events that will be taking place at our Achievement day in Hanley.

We would like to invite you to our Achievement day, where we will be showcasing our projects at the Hanley

Ag. Fair on June 16th. Watch us in the tent at the south end of the Fair Grounds. Keep an eye out for the Hanley 4-H Beef Club float in the parade on the Friday evening prior. We also invite you to the 4-H Junior Ag. Showcase at Prairieland Park in Saskatoon, SK from July 7th- 9th where we will be competing against other 4-H clubs in our Region. We will be selling our steers we raised on July 9th. If you or your business is interested in purchasing a steer or supporting youth in agriculture, please contact the club.

Our provincial parks offer a wide variety of summer recreation, from fishing in the pristine waters of northern Saskatchewan, wakeboarding at Lake Diefenbaker, to splashing in a heated public pool and with well-maintained courses and more days of sunlight than you can shake a club at, there's no place like Saskatchewan's Provincial Parks to tee off.
