NEW FACES

JOIN

RM OF DUNDURN

COUNCIL

By
Glenda Pryor

On Wednesday, October 24th, RM of Dundurn ratepayers in divisions 2, 4 and 5 headed to the polling stations to elect their next municipal government representatives. The results - two newly elected members - Andy Olson representing Division 2 and Fred Scott in Division 5, will be joining the RM's council. Fred Baran was re-elected in Division 4.

Olson and Scott have some time to digest the news before the swearing-in ceremony on November 5th at 9:00 am, followed by a new council orientation session and a special meeting with the other council members. November 6th will be their first regular RM council meeting, which was moved to an earlier date due to the Fall Convention being held Nov 13 - 15th in Saskatoon.

A little background on the two new representatives: Fred Scott is employed at Mosiac Potash mine as a surface production coordinator and doesn't forecast any issues attending council meetings, as his

Michelle Roepe mans the poll station for Division 2 at the RM office in Dundurn.

job allows him to work remotely from time to time. His mandate "is to represent everyone in Division 5 from the farmers who have been here for generations to the new acreage owners," Scott stated. He has no hidden agenda, he only wants the RM to grow at a good pace and ensure grid roads are built as they should be. Scott is no stranger to RM life, he grew up near Watrous, SK and looks forward to working with all the other divisions reps and the Reeve.

Andy Olson, a long time resident of the Dundurn

area, grew up in the town of Dundurn before moving onto a small ranch in 1989.

Andy's mandate simply is to represent the ratepayers in his division, but would like to ensure transparency for all the ratepayers in all divisions.

The official vote counts of the election were:

Division 2

Andy Olson 21 votes
Louis Paquette 10 votes

Division 4

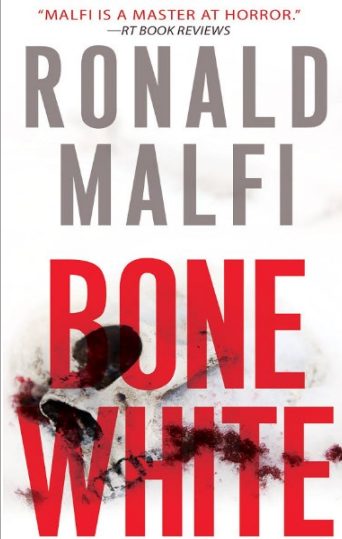

Fred Baran 26 votes
Dallas Ostrom 20 votes

Division 5

Fred Scott 64 votes
Perry Parton 22 votes.

LIBRARIAN'S CORNER - BOOK REVIEW

Paul Gallo saw the report on the news: a mass murderer leading police to his victims graves, in remote Dread's Hand, Alaska. The same bit of wilderness where his twin brother went missing a year ago. As the bodies are exhumed, Paul travels to Alaska to get closure and put his grief to rest. But the mystery is only beginning. What Paul finds are superstitious locals who talk of the devil stealing souls, and a line of wooden crosses to keep what's in the woods from coming out. He finds no closure because no one can explain exactly what happened to Danny.

**THE ORANGE SHIRT STORY**

When Phyllis Webstad turned six, she was sent to a residential school for the first time. On her first day of school, she proudly

wore a shiny orange shirt that her Granny had bought for her. When she arrived at school she was told that she could not wear her favorite shirt. It was taken away from her, never to be returned.

The Orange Shirt

Story tells the true story of Phyllis and her orange shirt and of Orange Shirt Day, an important day of remembrance for First Nations Canadians.

**MAYOR TOWN OF DUNDURN
PER VINDING**

Hi there,
A big thank
you to all
the folks

who helped with the Fall Supper. Things went well and attendance was good.

The RCMP Town Hall meeting on Oct. 11th went very well. It was well attended and was a very informative meeting. A big thank you to Kevin Williamson from the Saskatoon Detachment for doing an excellent job facilitating the meeting.

We are submitting an application to the Building Canada Fund for their latest intake. We are again applying for funds for the future rink.

We will be facing a 5% increase in our water rates as the Dundurn Rural Water Utility is raising the cost of water by 5%.

Council recently approved assessing separately titled lots adjacent to each other. There is a two-year grace period on this to allow anyone to perhaps sell an empty lot rather than pay separate taxes on it.

Due to a contract rate dispute with the DAWWU, the town is no longer conducting maintenance at the lagoon. Until next time, have a great day, eh? God Bless

DOES RURAL CRIME GET THE ATTENTION IT DESERVES?

By
Glenda Pryor

Rural and small town crime seems to be on everyone's radar these days, and the RCMP are working towards partnership with communities by making the public more aware of prevention by holding town hall meetings, as the one held at Dundurn's Community Hall on October 11th, 2018.

During the presentation, Staff Sgt. Kevin Williamson explained one of the handicaps the RCMP is faced with — the shortage of members in our community. There are 17 members belonging to the Saskatoon Detachment that patrol Blucher, RM of Blucher, Clavet, Corman Park, Dundurn and Sunset Estates. Two members are stationed to each of their satellite detachments located in Colonsay, Hanley, Whitecap First Nations and Vonda.

The RCMP have four initiatives: Prolific offenders, drugs, organized crime and property crime. Because the RCMP can't be everywhere they are asking community members to report what is going on in your area by calling 310-RCMP (310-7267) and/or contact John Barry, rural crime watch leader or Jodi Beamish the town rep. at crimewatch314@gmail.com. The Rural Crime Watch program is not police driven, but is community driven which the RCMP support

The RCMP base the need for patrolling through stats and request that all incidents (small and large) be called in. Although your call may not be dealt with immediately, dependent on where the patrol car is,

the information will be complied for them to accurately detect problem areas in order to patrol the area in question more effectively. "It's about being in the right place at the right time to stop the crime before it happens." Williamson stated "as each area is different when it comes to crime."

During the forum, Williamson answered the gallery's concerns and questions. One question that resonated through the group was how much force one could use when protecting their property. As each circumstance is different, Williamson suggested to stay in your house to be safe.

There is one option the community could undertake. Williamson spoke of an enhanced program that is available to

communities at the cost of \$140,000.00 per year. This would mean an established RCMP member would be provided with all the equipment to stay within that community. The benefit - there would be a constant presence of RCMP in our area, the downside - the cost.

Town Mayor Per Vinding and Councillor Annette Hamilton who attended the information night, said that council did briefly discuss a community officer at their October meeting. The \$140,000 per year cost would be in addition to the current levy for policing which is \$28,000. \$168,000 for a town with a total tax base of \$550,000 would not be possible at this time without a further tax levy or a cost share with several other communities.

Staff Sgt. Kevin Williamson preps for his presentation at Dundurn Community Hall

Submitted by:
Fire Chief Ryan Bradley

Dressing up is every child's favourite part of Halloween (other than the treats). Your child's costume should be fun, but it should also be an outfit that doesn't compromise your child's safety. Costumes comprised of all dark colors might blend into the evening a little too much for drivers to notice the wearer. With all those little folks dashing from

to house and street to street drivers, too, must show extra caution.

Every year in November, Canada remembers the wars that have scarred our past and the bravery of the men and women who fought them. Remembrance Day falls on Sunday November 11 this year and is our chance to remember not just those who

fought, but what they fought for. Dundurn Fire asks you to take time to honour those who have sacrificed and buy a poppy as a symbol of remembrance.

COMFORT FOOD
BRINGS
COMMUNITY
TOGETHER

By
Glenda Pryor

Harvest time on the prairies means that one of the oldest culinary traditions comes to life: the Fall Supper. From mid-October to early November, rural community halls open their doors and offer buffet style home cooking, served with a side of hospitality.

Dundurn’s 2018 fall supper, spearheaded by Melva Richmond, was held on October 28th. The event caters to individuals, who walked through the door to enjoy the autumn feast. Although numbers have dropped over the last few years, for several reasons such as weather and other fall suppers on the same day, the event still draws out many from the city and other communities that have been attending for years.

Since 2016 a Fall Supper Committee has planned the event and maintained the same traditions as the Dundurn United Church who put on the supper for decades up until 2015. “I felt we couldn’t let the Fall Supper tradition in Dundurn end without at least trying to continue on and keeping it the same. People know what to expect when they take the time to travel out here to it, once you change it, you lose your followers,” explained

Behind the scenes at the Dundurn Fall Supper: Carvers from R to L: Ben Klassen, Barry Ambler, Greg Hawes, and Fred Wilson.

co-ordinator Melva Richmond. Difficulty finding volunteers and donations is why a lot of communities no longer have them, and Dundurn is feeling the pinch.

Preparations for the harvest feast start a month before lining up volunteers to cook hams and turkeys, make dressing, and pie donations. The Clear Spring Colony participated by supplying and cooking the turnips, potatoes, and carrots for this event.

The Culture Club run the dining room and kitchen during the dinner and help with clean-up which is an intricate part in the whole event. “We simply could not do it anymore either without the help of the

Culture Club and all the wonderful volunteers who help us cook the hams, turkey’s and make pies,” said Richmond.

“This year a total of 415 attended and I was a little disappointed as I was looking forward to a least 500,” said committee member Eileen Prosser, “but after speaking with Patty Sawchuk, a long time Fall Supper volunteer, she mentioned that any attendance over 400 is doing good.”

Richmond added that, “the main thing is to cover our costs and if we make a profit to donate to various causes, then that’s a plus. For me, it’s more about community gathering and keeping local traditions for as long as we can.”

WILSON MUSEUM - SUBMISSION BY RAY MOSKOWEC

Fall is here. Even though, our community got a taste of winter in the early part of October, the last few weeks “Indian Summer” has been present.

Although the Museum is closed for the season, tours are still being conducted by the volunteer board members seeing 3 tours of interested people

from Saskatoon, locally (a family reunion) and the Grade 2 class coming on November 13th. It is hoped that with the good weather continuing, positioning of the recently donated machinery can be reformed/positioned for the winter and the new season.

Community Bingo will continue throughout the year, with a Christmas

“Turkey and Ham” Bingo being held on November 28th, watch for posters and everyone is welcome to attend. Bingos are held every last Wednesday of each month with the exception of December.

The Museum continues to be available through the year with tours by request by contacting Ray Moskowec, (306) 491-8651.

CRIME WATCH 314, DUNDURN

Date: Oct 20, 2018

Notice of Meeting

We would like to extend an invitation to all current members of the crime watch 314 and all interested residents of the region to our general meeting of Crime Watch 314. If you are interested in becoming a member please attend.

We will be discussing specific details of the crime watch program in all aspects. The program is intended to provide the residents of the area a means by which they can actively take part in the proactive prevention of crime activities. The Crime watch program has been proven effective as a communication and prevention tool for residents as well as the RCMP. The proposed program is not affiliated with any of the governing bodies in the area and operates as a member's supported program.

I would like to invite all interested Residents within the perimeter of the RM of Dundurn to join and become part of this volunteer program. We have a proposed meeting date of November 21 at 6:30 pm in the Dundurn community hall. John Barry will be presenting and will be answering questions arising from the discussion and presentation.

Join in our community crime prevention event,

John Barry and Jodi Beamish

Phil Sarich

To our Valued Customers and Acquaintances:

After operating our business for 21 years at Dundurn, we are moving.

Our business started in 1980 at Vibank SK, from we moved to Dundurn in 1997 when I was transferred from Regina to Saskatoon with my full-time Employer.

In July this year I retired from that employment to operate WAYLYN Signs full time.

We have fulfilled our plan at Dundurn by selling our home and shop which gives us the opportunity to relocate back to the Regina area to be closer to our children, grandchildren and families.

We will be relocating to Montmartre SK this fall and will begin building a new shop. Until then, we will have shop access with an associate sign business in the Regina area. I want to take the time to tell each and every one that it has been a privilege to meet and know everyone and provide you with our services. I hold these relationships sincerely and look forward to continuing to provide you with our products and services.

With today's technology and the diverse shipping options available we will be in a position to provide our services to you from Montmartre.

Our email address remains the same:

waylynsigns@sasktel.net

Our phone number is now mobile:

306.291.9474

Thank you all again and our Best Regards going forward.

Sincerely,

Wayne @ WAYLYN SIGNS

SAVING THE SEASON

By
Glenda Pryor

It's too bad gardening is seasonal, if it wasn't Shelly Rye would be gardening year round! Her love of the garden season has spilled over into a small venture for herself by making the most out of her garden haul by canning and thus creating 'Granny R - Home Preserves'. Products which she sells out of her home and from *Kuts by Karen's* in downtown Dundurn.

Her passion for gardening and home preserving started at a young age when she would help her grandmother in the kitchen with canning the fall harvest. Whenever Shelly had a chance to grow a garden, she did! But it was in 2015 when she started seriously gardening with one garden, the following year she added another, totalling 1,250 square feet of growing vegetables.

Because of the abundance of produce from both gardens, she's been busy labouring in the kitchen making salsa, chutney, relishes and pickles. Her

varieties are plentiful as she combines vegetable and fruit to make carrot marmalade, fruit and beet chutney and zucchini salsa - only to name a few.

While interviewing her, she gave me a huge variety of goods to taste. I do not do any home preserving myself, so I appreciate people who do the task. I remember my parents had performed the fall ritual of canning every year and its hard work! Hours are spent harvesting, cleaning and cutting the vegetables, preparing the sealing jars and days spent over the stove. So yes, I'll scoop those canned items please and thank you. I'm not a big fan of relish, but I promised I would taste test and was impressed. All her canned products are excellent.

If you would like to purchase her products you can call Shelly at 306-881-5571 or stop by *Kuts by Karen's* when you're downtown.

BRONWYN EYRE, MLA SASKATOON STONEBRIDGE DAKOTA

Report from the Legislature

The Government of Saskatchewan is accepting applications for the Saskatchewan Value-Added Agriculture Incentive. Aimed at improving investment attraction and retention outcomes in the value-added agriculture sector, this incentive offers a non-refundable, non-transferable 15 per cent tax credit on capital costs for newly-constructed or expanded value-added agriculture facilities.

This initiative supports rural growth, provides outlets for locally-produced crops, and creates more opportunities to attract entrepreneurial talent and foreign investment. To learn more or apply, visit www.saskatchewan.ca/Business/Investment-and-Economic-Development/Business-Incentives-and-Tax-Credits/Saskatchewan-Value-Added-Agriculture-Incentive.

Over the past decade, China has been one of Saskatchewan's most important export markets. During

Premier Scott Moe's recent trade mission, the Saskatchewan delegation met with current and potential Chinese investors in our value-added agriculture sector to encourage investment.

The mission included meetings with Chinese government entities that focused on identifying opportunities to advance mutual interests in sustainable mineral and agricultural development, as well as environmental protection.

A number of key steps were made in sharing Saskatchewan's technical innovation, including supporting the signing of an MOU between the CCS Knowledge Centre and the China Petroleum University, to advance our shared interest in using CCS for enhanced oil recovery.

The Saskatchewan delegation was also joined by more than 20 Saskatchewan companies at the STEP -Canada China Business Council Showcase, which focused on promoting Saskatchewan's exports to China. Saskatchewan made important

connections with government and industry leaders and communicated that we have the food, fuel, and fertilizer that China needs.

Finally, with snowfall and cool, wet conditions, Saskatchewan seems to be transitioning from an active construction season to winter earlier than expected. In spite of unpredictable Saskatchewan weather, we continue to break ground on, and celebrate the completion of, a variety of important infrastructure projects across Saskatchewan, including new and innovative housing projects, a new K-12 school in Rosthern, and the new Chief Mistawasis Bridge in Saskatoon.

If you require assistance with any Government of Saskatchewan programs or services, please contact my constituency office or visit Saskatchewan.ca.

Please call or drop by my office with any issues or concerns:
306-477-4740 or email at bronwyn.eyre.mla@sasktel.net

DUNDURN ELEMENTARY PRINCIPAL - CHERYL SHIELDS

The first round of parent/student/teacher conferences took place in October and gave us the opportunity to talk about academic and behavior expectations before the progress reports go home with students mid-November. We appreciate this time to work together, family and school, to ensure the best education experience for all students.

Safety is a constant focus at Dundurn School, which was supported by Constable Ploughman as he guided us through a Lockdown. Students did a fantastic job working together to secure the school. Thank-you Scott for your positive attitude and great tips. We appreciate your school visits and the work you do to keep us safe.

The whole school also participated in a Bus Safety Evacuation drill. Special thanks to Bill Steckler, who reminded us about the privilege and responsibility that comes with riding the big yellow school bus. We

sincerely thank our bus drivers Carl, Teresa, Tracey and Gary for safely transporting our children every day.

The yearly Fire Safety Presentation by Firefighters Dwayne, Brian, Tom and Elizabeth was a highlight this month. Students especially appreciate the firefighter hats and 'treat bags' that reinforce the fire safety message.

Our SCC is a small but mighty group. The focus this year will be on upgrading our playground equipment. We are always looking for volunteers to help make our school be the best it can be. Right now we are looking for library volunteers and individuals interested in flooding and maintain the ice for our outdoor rink. Please contact the school if you are interested.

Mark your calendars and please join us for our Remembrance Day Assembly – Nov. 8 at 10:30.

"Schools are the centerpieces of a

community's hopes and dreams." L. Varlas

DUNDURN GOSPEL CHURCH - PASTOR WES DYNNA

Religion Worth Having!

James 1:27 states, *"Pure and undefiled religion before God and the Father is this: to visit orphans and widows in their trouble, and to keep oneself unspotted from the world."* (NKJV)

A follower of Christ will be a player in life. They will have a high view of their neighbor (the widow and the orphan), and a high view of God ("keep oneself unspotted from the world").

I believe, in true religion, God has come to us in the Person of Jesus Christ and a Christ-like response for me is to be engaged in my world in healing and helping ways. Faith, hope and love are the key ingredients in doing this. Without faith it is impossible

to please God, the Bible tells us in Hebrews 11:6. Through faith I become dependent on God. Independence is a killer. And yet we often spiritualize our self-sufficiency, regaling in our health, retreating behind our savings for retirement, or refusing to associate with someone 'not of my kind,' thinking all will be well with us and we can cheat death.

Faith is the quality necessary to succeed in life from God's perspective. And hope is an integral part of the equation (Hebrews 11:1). Rather than superficially dealing with a person's circumstance or situation, hope provides a hug and a heart to the one who is sick, hurt, lonely or perishing. When there are no immediate answers, hope sourced in Jesus Christ provides the assurance one can live on

for better times are ahead if only – but certainly – in eternity to come.

Romans 5:5 informs us this kind of "hope does not disappoint." A short conversation, a simple prayer, or an act of kindness can be enough to instill hope in the heart of another. And love calls us beyond the dysfunctional paralysis and pettiness of envy, rudeness, pride and keeping a record of wrongs. Love calls us higher.

If we are not adding value in life, we are just adding noise. I cannot be a "talking head" only; I must be a "beating heart" for love is an action word. *"And now abide faith, hope, love, these three: but the greatest of these is love"* (1 Corinthians 13:13).

God bless you.

SUCCESSFUL WEEKEND AT BARLEY QUEEENS CO-ED 3 ON 3 TOURNY

Story Submitted by
Reaschelle Higginbotham

Picture Submitted by
Cassy Lindberg-Scott

The Dundurn Barley Queens hosted their first annual Co-Ed 3 on 3 Tournament on October 20th, 2018 to kick-off the 2018/2019. Teams from Dundurn and area included players from the Blackstrap Lakers, Clavet Cougars, and the Queens themselves. Teams competed for the \$400 grand prize in an exhausting day of hockey and revelry. The Beachwarmers came away with the title, narrowly beating the Mighty Drunks for the victory.

A special thanks goes to the event organizer Laura Zmud for her

Beachwarmers Winners: pictured (L to R back row): Cassy Lindberg-Scott, Rob Ozog, Cory Dieno, Cam Weese, Kyle Dolan and Jen Barteski.
(L to R front row): Brandi Dieno, Rupert Klyne, Jenna Weese. On ice: Steve Mitchell.

contributions to making this first event a success. The Barley Queens would like to thank the players who attended and we

look forward to another year of 3 on 3 fun!
