DUNDURN TEACHER'S CREATE PARADE

Photo & Story Submitted By Cheryl Shields Dundurn School Principal

Smiling faces and tears of joy lit up the communities of Dundurn, Thode and Shields on the evening of May 20th. The staff at Dundurn Elementary School created a twelve car parade in hopes of connecting with students, families and the surrounding community.

Their message - 'We CARE and miss you!' The Parade wove through the streets honking horns, throwing big smiles, waving with plenty of 'Air Hugs' while staying true to the distancing guidelines set by the federal government.

It was 2 months to the day that classes were suspended across SK due to COVID-19. Though the school is very quiet and the school buses are not running the staff continues to work hard through emergency remote teaching.

Staff effort and resilience is seen in problem-solving

technology issues, designing engaging learning opportunities, staying connected largely through emails, virtual meetings and phone calls.

A huge thanks to the approximately 60 families who came out and cheered, waved, made posters and some even dressed up! One thankful mom shared that her son thought the parade was just for him!

We hope that everyone can keep that caring spirit in their hearts until we can meet again for real. We miss you, air hugs to all!

TOWN'S SUMMER STUDENT PROGRAM COMMENCES

As the summer approaches, Dundurn students eagerly await the opportunity to make money closer to home. This year Carl Maranan, who is graduating from Grade 12, was hired by the town to care for the flower pots around the town. To date the town is still waiting for federal funding to hire one or two more students.

Once funding has been approved, qualified candidates who applied with the summer student program in town will have the opportunity for an interview.

Canada Summer Jobs is an initiative of the Youth **Employment and Skills**

Strategy, which aims to provide flexible and holistic services to support all young Canadians to develop the skills and to gain paid work experience to successfully transition in the labour market.

The Canada Summer Jobs program objectives align with the redesigned Youth **Employment and Skills** Strategy and are as follows:

- Provide quality work experiences for youth,
- Respond to national and local priorities to improve access to the labour market for youth who face unique barriers; and
- provide opportunities for youth to develop and improve their skills.

Carl's immediate plans after he has completed his summer job with the town, is to join the military Reg Force in the infantry or artillery trade.

No More bagging your grass, leaves or branches.

No More old garden waste piling up.

No More begging friends or family to use their truck for a dump run.

Program runs May 5 to October 20 (6 months) Bi-weekly Tuesday pick up.

Building A Strong Saskatchewan

"This stimulus helps workers get back on the job, companies get back to business, and families and communities bounce back from the impacts of COVID-19"

BRONWYN EYRE, MLA

SASKATOON STONEBRIDGE-DAKOTA
306-477-4740

Saskatchewan has a two-year, \$7.5 billion capital plan to stimulate economic recovery from the impact of the COVID-19 pandemic. This will balance the need for smaller, short term projects to jump-start economic activity and get people back to work quickly with longer-term, large-scale projects that leverage multiple sectors over the next several years.

Investing in schools, hospitals, highways and Crown utility projects, municipal infrastructure and other important capital projects is one of the best ways to keep building a strong Saskatchewan.

The Town now offers the option of receiving the following by email:

- Payment Receipts
- Tax Invoice & Notices
- Utility Invoices & Notices
- Accounts Receivable Invoices
- Custom Letters
- Assessment Notice

To sign up contact us at notemaps:rotology.gen or call 306-492-2202 or download form at https://townofdundurn.ca/wp-content/uploads/2020/03/E-Consent-Form-Fillable.pdf

Submitted by: Dundurn Fire Department

The Dundurn Fire Department wishes to thank all those who made a submission to our contest "How have you and yours spent time during Covid-19 isolation?".

We are pleased to present dad Ryan and son Valar Peneff for their virtual trip to "Mexico" and sisters Madison, Adelita and Kaycee Williams for their care and nurturing of their baby lambs a gift of \$50.

Six year old Owen Stirrett and dad Neil receive \$25 for their presentation of wood cutting.

Marla Gordon has won a \$50 gift certificate to Big Mur's for her showing of flooring renovations and also allowing us to see her house in disarray during that time.

Amanda Kilcup has won a \$25 gift certificate to Big Mur's for showing us her unique patio furniture.

Bre Hardie and her daughter have won \$25 for their very colourful rock painting and that fabulous owl. In addition Big Mur's has added an additional prize of \$50 which is presented to Darla Wolkowski for a multitude of renos and finally completing that 8 year art project. Congratulations to all our participants and winners. It's been a period of time in our lives like no

other that we have experienced.

We have had to and will continue

to be required to make new choices in our day to day habits and lives. It will be the "New Normal". It is imperative that we still adhere to the practice of Social Distancing, frequent hand washing and isolation if signs of the virus are present.

In last month's Newsletter we had stated that Dundurn First Responders would not be attending any calls if COVID-19 was suspected. The Health Region has since given us the "Green Light" to attend all calls. DFD has all the required Personal Protective Equipment (PPE) to ensure the safety of both the Responders and those requiring our assistance. Please continue to Stay Healthy and Stay Safe.

DUNDURN'S FREE DUMP DAY THE BIGGEST ONE ON RECORD

By Glenda Pryor

Every May the residents of Dundurn stream onto Pryor Road, which leads to the RM of Dundurn's Transfer Station, for the town of Dundurn's annual *Free Dump Day*.

The popular service, which was held on May 23rd, lets residents of the town recycle or dispose of household items too large for regular collection—for free.

2020's Free Dump Day yielded the biggest one on record; four and a half (4 1/2) bins were filled. In previous years, only three (3) bins were filled. Appliances and metals were also up from previous years. Three (3) times the amount was disposed of totaling

26 appliances.

On the Monday after the event, town employee Glenn Robbie operated the backend loader to pack down the bins in preparation for Loraas to haul away, and summer student, Carl Maranan picked up remnants of trash that didn't quite make the bin.

Household hazardous waste, including paint, varnish, household cleaners or batteries, are not accepted at the transfer station. These items should be taken to Sarcan or an Eco Station for proper disposal at no charge.

The town would like to thank Andy Olson and the RM of Dundurn for the use of the town's old area of the RM transfer station, everyone who waited patiently in line, and Dundurn maintenance for organizing/directing everyone on where they could dispose of their truck loads.

Assessment Roll is now open for inspection until 5pm June 30, 2020

In a non- re-valuation year, the roll is open for 30 days. Due to Covid-19 restrictions causing a possible delay to appeals; by Minister Order the roll must be kept open for 60 days instead of 30.

Only those properties that had changes to their 2019 assessment, received an assessment notice for this year. If your property assessment did not have any change from last year you will not receive a notice. Regardless of receiving a new assessment notice, anyone may request to inspect the assessment roll which will include your individual property and all others.

The 2020 Assessment Roll can be viewed on our website front page under Latest News https://townofdundurn.ca/ or if you do not have access the internet the roll is available for inspection in-person by appointment only.

If you have any inquiries please contact admin@townofdundurn.ca or 306-492-2202 x 2

Any person who wishes to appeal against their assessment to the Board of Revision is required to file their appeal in writing, (contact for form), along with the appeal fee of \$100.00 by 5 pm, June 30, 2020 with The Assessor, Box 185 – 300 Third Ave., Dundurn, SK S0K 1K0. The appeal fee is refundable should the appeal be successful.

CHRIS TUCKER - HANLEY SCHOOL PRINCIPAL

As the last week in May passes, our current school situation will continue for the remainder of the school year. I know all the

school staff and a lot of you might be wondering what the fall return-to-school might look like – for now, all we can really say is that - the situation in our province is continually changing and adjusting, so we may need to wait until August to really have an idea about what our school and education will look like for September.

A huge thank you goes out to all of you parents who have connected with teachers for programming ideas and supplemental learning for your children. What a huge undertaking many of you have had to juggle this spring on top of all your regular life commitments and work plans. Sharing your cell phone or device with your child so they may access a google classroom, or answering extra questions for homework and even investing in more paper and ink for those

assignments that were printed out are some of the many things you're doing.

Just as staff at school never planned on having to offer learnings to your children at distance, I know that all of you never planned on having to support your children's learning this way either. I commend you on your efforts. To keep you in the know, staff are also currently working on some plans our graduates and our reporting of our school goals from this year.

Our staffing number is staying the same for next year, and our student numbers are projected to be about the same as well. While our staffing numbers are staying the same, we are having to say "Happy Retirement" to Mr. Tyndall, who is leaving our school at the end of the year. I know this is not the way that he was hoping to spend the last months of the year and would have rather had the chance to have people drop by and give him their congratulations in person. I will suggest you consider sending him an email to:

heath.tyndall@spiritsd.ca or call him. We will all miss you, Mr. Tyndall.

We are pleased to announce that Chad Freeden has accepted the position of shop teacher at Hanley starting in the fall. Welcome, Mr. Freeden, on your transfer from Stobart School. There are a lot of things happening around our province in efforts to help each other stay well and working together to make that happen is a priority for everyone. Again, stay healthy and happy and we'll figure this all out together.

Know that the staff misses the day to day contact with your students and we all look forward to getting back to regular school happenings and life there as soon as we all are able to do so. Well, that's all for now. For further information and updates from the students and classrooms, check out our school web site at

http://blogs.spiritsd.ca/hanley/.

As always, I would love to talk to you if you have time to drop us an email or give us a call. Take care and I'll talk to you soon.

RENOVATIONS GIVE SPORTS CENTER A FRESH APPEAL

By Glenda Pryor

Dundurn's aging Sports Center is a popular spot in our small community as a variety of groups and organizations utilize the facility year round.

In the past two months, the Sports Center underwent much needed renovations which were completed by contractor Allison Developments. The contractor upgraded the dressing room showers and bathrooms in the lower section of the center which were rotted.

Public Works Services are currently painting the hallways & dressing room to help give it a total fresh look. Also, during the Covid shut down ,the referee room had a total renovation and a spare room will be converted to an office space for the Dundurn Community Association. New MEEP grant funding may be used to build a new tractor room as the current one is beyond repair. Council will review

MEEP projects at their next meeting. Pictured below are the before (left) and after (right) pictures of two areas at the center.

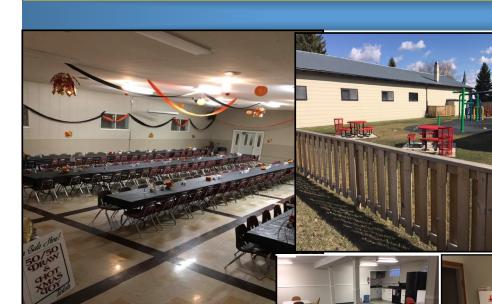

The Dundurn Community Hall is the perfect location to host your wedding, special event, celebration of life, or business meeting!

Open seven days a week, with ample free parking, our venues are well kept and equipped with free wireless internet, projector screens; full kitchen in our banquet hall that includes tableware and 2 steam tables to choose from for your catering needs.
