BUSIEST SEASON FOR JT'S TASTY TREATS AT BLACKSTRAP

By
Glenda Pryor

Business keeps getting better every year for JT's Tasty Treats Café, located on the main beach at Blackstrap Lake. As the business comes into its fourth year of operation, owner Josh Turner stated, 'This summer has

been the best by far". He attributes the huge beach turnout to Saskatchewan Provincial Parks' advertising campaign this year, which is drawing more people to the lake.

This year Josh has served travel bloggers and has witnessed aerial drones taking pictures. He has also seen a new addition on the lake front, the Aquatic Adventures Inflatable Waterpark.

The main beach is set-up for

all visitors who bring nothing but their water wear.

Two more staff members have been hired this year, along with returning employee Anita Dirksen. The new staff are local teenagers to help at the café so that Josh can cruise through the park in JT's ice cream van to the campgrounds.

Guests at the park's main beach suit up to enjoy the newly added waterpark which offers 13 on-water

challenges for adventure seekers to jump through slides, climb bridges, and swing or flip into Blackstrap Lake. And when people are finished at the waterpark or swimming, JT's Tasty Treats is there to quench your thirst or feed your hunger.

Next year, Josh has plans of expansion by building a roof top patio and a licensed Tiki Bar that will mimic the Polynesian theme of JT's.

For those who venture to the lake this summer, the Café is open Thursday to Sunday from 12 p.m. to 6 p.m.

The waterpark is open seven days per week from 11 a.m. until 8 p.m. pending good weather. You can read more about Blackstrap Park in Hon. Bronwyn Eyre's report on page 5

Lake living.... At beautiful Blackstrap

Nestled along the shore of beautiful Blackstrap Lake, Shields is an active community offering boating, fishing, golfing, and more. The serenity of the village will capture your heart as the perfect place to call home. Just a block off the lake, this lovely, well maintained home is on a large lot with plenty of room for outdoor living at the lake. 4 Bedrooms, 2 baths, open concept design. Many recent updates.

Dundurn Fire Department

This spring and summer has seemed to bring an extra number of windy days. A recent call to Dundurn Fire was the result of a tree coming in contact with overhead power wires as caused by one of those windy days causing arcing and certainly the potential for a serious fire.

The power was temporarily

disconnected by SaskPower whose crew, along with DFD members, removed the entangled branches of the tree.

SaskPower reports around 2,000 power outages a year happen because trees touch or grow too close to the power lines. Trees don't have to physically touch an energized power line to be dangerous. Electricity can arc from the power line to nearby trees given the right conditions.

If you see sparking where a tree branch is near or coming in contact with a powerline call 9-1-1 as there is a potential for fire, DFD will respond, cordon off the area, prepare for any possible resulting fire and make contact and arrangements with SaskPower. Do not try to move or remove the branches and do not go in the vicinity of the tree.

If the powerline has come down do not go near it as it will be energized. If tree branches are

touching or growing too close to a power line, SaskPower will come out and trim them for free.

For your safety, please don't attempt to trim a tree yourself. A tree trimming request can be done online at

<https://www.saskpower.com/Forms/Tree-Trimming-Request-Form> or by calling SaskPower at 310-2220.

Disposal of trimmed tree branches is the responsibility of the landowner.

The Dundurn Fire Department, and/or the Fire Chief, Tom Wilms can be contacted through our email address

HON. BRONWYN EYRE - MLA SASKATOON STONEBRIDGE & DAKOTA
Report from the Legislature

The Government of Saskatchewan's recently-

passed provincial budget includes record investment in health, education and economic stimulus, which will help our province recover from the impacts of COVID-19. The budget includes:

- A record \$435 million for mental health and addictions supports and services;
- \$20 million to reduce surgical wait times;
- \$80 million to build new long-term care facilities in Grenfell and La Ronge and support renewal projects in 51 long-term care facilities across the province;
- Record funding for schools, including \$2.6 billion to support Pre-kindergarten to Grade 12 classrooms, early learning and child care, libraries and literacy;
- \$278 million in no-strings-attached Municipal Revenue Sharing – an 11 per cent increase and the highest amount ever provided under the program;
- \$150 million for the Municipal Economic Enhancement Program for municipal infrastructure projects; and
- \$715 million to improve highway safety and efficiency, including more than 20 new passing lanes to be constructed in 2020.

Also of note are recently-announced highway investments in the constituency of Saskatoon Stonebridge-Dakota, which includes the RM of Dundurn. These include:

2020 - 2021 Planned Activity: \$23.4M

- Hwy 5 Repaving

- Hwy 5 Grade line improvements, widening and shoulder surfacing
- Hwy 41 Intersection treatment, Agra Road

2019 - 2020 Activity Highlights

- Hwy 211 Bridge replacement, over Blackstrap Causeway for \$4.05M

2018 - 2019 Activity Highlights

- Hwy 16 East of Saskatoon & junction west of Hwy 11 for \$1.85M
- Hwy 11 South of Saskatoon, southbound for \$4.48M
- Hwy 11 South of Dundurn for \$1.98M

Blackstrap Provincial Park, also in the Saskatoon Stonebridge-Dakota constituency, is always an exciting place to visit.

New to the Park this year is the Aquatic Adventures Inflatable Waterpark, which offers 13 on-water challenges for adventure seekers to jump through slides, climb bridges and swing or flip into Blackstrap Lake. The waterpark will be open seven days per week from 11 a.m. until 8 p.m. pending good weather. Please check out <https://www.saskaquaticadventures.com/our-parks/black-strap> for more information.

Blackstrap Provincial Park will also offer two drive-in movie nights on Saturday, August 22 and Friday, September 11. Visitors to the Park are encouraged to share their photos on social media using #saskparks, for a chance to be featured on the SaskParks website and social platforms.

Finally, our Government's Re-Open Saskatchewan plan continues to work with businesses returning to full operations. Casinos, bingo halls and rodeos may now resume. Starting July 16, live music and entertainment could also, once again, be enjoyed in local venues. Seating areas are now being permitted at drive-in theatres, as well as public and farmers markets.

Guidelines for the second half of Phase 4 are now available on [Saskatchewan.ca](https://www.saskatchewan.ca). These include: temporary food vendor guidelines; racing and rodeo guidelines; banquet and conference facility guidelines; and car and trade show guidelines. Guidelines for door-to-door solicitation, items by donation and garage sales are currently being developed.

Enjoy your summer, Saskatchewan. Have fun and stay safe!
