**Curtis Boyes**  
**Mayor of Dundurn**

It is with mixed emotion that I write to the community in this, the last edition

of *The Dundurn Times* as we know it...

With the completion of the 2020 election, I would like to thank the outgoing members of council for their years of service and offer my congratulations and welcome to the new council. Our friends and neighbours in Shields, Thode and the R.M. of Dundurn also welcomed new Councilor's, Mayor's and a Reeve. I have spoken to many of them already and there is hope that with new friendships can come a new foundation for a long-lasting professional working relationship.

As December rages on, Dundurn is now poised to spring into a new year of growth and prosperity. A new council will be instituting a new era of administrative transparency,

responsiveness, responsibility and duty to the community. We have already taken our first steps to ensuring the public has access to relevant information. Council will continue to modernize the town bylaws and strive to make Dundurn the best small-town community Saskatchewan has to offer.

...It does seem fitting now though, that as our community restarts with five new members fulfilling the role as council, ready to lead our town into the next decade, that perhaps our newsletter can find a way to flourish again as well.

Finally, I would like to include the first installment of what I will refer to as the *Dundurn Mention in Dispatches*. For actions of valiant, honourable conduct or otherwise good deeds completed by residents, businesses or groups for the betterment of our community. These actions may be reported to council and included in a public forum.

1. **Glenda Pryor** will be leaving *The Dundurn Times* as the newsletter coordinator as of the end of December after over three and a half years. Thank you for your hard work and dedication to ensuring our community is kept informed!
2. Thank you to all the volunteers at **The Food Pantry** and to those who have donated. Food insecurity should not have a place in a first world country and a prosperous province like Saskatchewan. Your efforts to make sure no one in our town goes hungry do not go unnoticed to the rest of us!
3. Finally, I would like to publicly thank **John Gourdeau** for his work after the large snowfall event. John took it upon himself to clear sidewalks and driveways for many people around Dundurn, even at personal expense. His actions speak to his character and I am proud to serve along side him.

## LIBRARIAN'S CORNER - BOOK REVIEW

Revisit this heartfelt story of finding love where you least expect it from *New York Times*

Down on her luck, ex-Wall Street dynamo Gabrielle Clayton agreed to move into Paul Reed's ramshackle but affordable apartment on one condition: no funny stuff.

Then Gabrielle discovered she and Paul shared a good deal more than the rent, including one outrageous claw-footed bathtub located smack in the middle of the kitchen and things started heating up! For Gabrielle, the most irresistible distraction of all was the sexy, blue-eyed renovator himself. Paul was the most romantic man she'd ever met! Suddenly, practical, down-to-earth

Gabrielle was dreaming of magical nights spent in Paul's arms. What had come over her?

Flipping from sad to mad can make for a bad day, but Baby is learning some tricks for getting the happy back.

Sometimes Baby is sad. And sometimes mad, mad, MAD! Baby screams and falls to the floor, and a spectacular tantrum follows, from furious crying to the final flop. What happens when Baby wants to stop, but even hugging a beloved blankie doesn't dissolve the cranky? Maybe a walkabout is in order, with some mindful breathing to boot? Master of toddler expression Leslie Patricelli turns the focus to feelings in a relatable episode offering some tips for helping the mad go away.

## A MESSAGE FROM DUNDURN'S FORMER MAYOR - PER VINDING

Greetings. It was an honour to serve as your Mayor these last 4 1/2 years. Thank you to Annette, Fred, Melva and Walter for their dedication this past term. We had a good run. All members of Council stuck with it for the entire term through thick and thin this past term. Even though we had our differences, it was a pleasure working with them.

As Mayor, I had more opportunities than most to interact with the Town staff and it was an absolute pleasure working with a such a competent and highly dedicated staff. The Town staff went above and beyond in many instances this past term. These folks proved every day their resilience and dedication in getting the job done.

I wish the new Council well. They have their work cut out for them. There are great things in store for our town. We have the potential to become a booming and vibrant community and hopefully the new Council can bring it to fruition.

Have a great day, eh?

God Bless

Per Vinding Former Mayor

## AN ABUNDANCE OF CARE

By  
Glenda Pryor

A group of ladies in the surrounding community have come together this year to provide the good work of serving the less fortunate. They gathered to help families with children who cannot afford a Christmas dinner; and to assist those who were struck hard by the pandemic either by suffered job loss or cut back employment hours; and for seniors in need of assistance. As we approach the province's second round of guidelines to curb COVID-19, the assistance comes at a critical time.

These ladies are Hayley Shanofer, Kerry Stopa, Karen Marshall, and Teresa Daniel of Dundurn, Jaclyn Sander from Shields, and Melissa Maddocks from Hanley. They created the group "The Food Pantry" with the main mission to help eliminate hunger in Dundurn, Hanley and surrounding area by providing residents in need with food that promotes the value of nutrition, overall good health, self-esteem, and hope.

For years, the Dundurn community has supported efforts to assist those in need during the holiday season by the Dundurn United Church spearheaded by Marion Foy. Two years ago, she retired from this position and the community lacked the support.....until this year when the need arose during this difficult time.

Melissa Maddocks from Hanley delivers donated items every Saturday to the committee's storage room.

Pictured left to right: Hayley Shanofer, Karen Marshall, Jaclyn Sander, Teresa Daniel and Kerry Stopa. Missing: Melissa Maddocks

The Food Hamper received a healthy jump-start through sponsorship from Mountainview Food & Fuel, Rhyse Dieno and an anonymous individual. The Food Hamper committee is counting on the generosity of the three communities (Dundurn, areas surrounding Dundurn and Hanley) to support their effort of care and compassion.

Food donation boxes have been set up at various locations in Dundurn, you can donate food or monetary at Mountainview Food & Fuel and Kuts by Karen, in Hanley the food and monetary boxes are located at the Shell gas station and The Hanley Grocery Store. Monetary donation boxes have also been set out at Big Mur's Tavern and Subway.

Devin Heidt, owner of Mountainview, donated \$260.00 value of liquor to the committee which a Christmas Cheer gift basket was crafted by Kerry Stopa and within 10 hours, 510 tickets were sold out. Lucky winner, local Barb Farnsworth's name was drawn on November 23rd by Devin Heidt at Mountainview store.

This coming month from December 7<sup>th</sup> to the 11<sup>th</sup> Dundurn and Hanley Schools are hosting a food drive where students can contribute by bringing food for the Food Hamper effort. Baskets will be set up at each school.

If you are wanting more information about the group, they have created a Facebook page and post on a regular basis. Simply search "The Food Pantry". Shanofer stated, "Individuals and families can apply for a Christmas hamper by filling out an application form and email it to [thefoodpantry20@gmail.com](mailto:thefoodpantry20@gmail.com)". Forms can be found at Dundurn and Hanley town offices, Dundurn and Hanley schools, Kuts by Karen or you can download the application form online from their Facebook page.

**HON. BRONWYN EYRE - MLA SASKATOON STONEBRIDGE-DAKOTA**
**Report from the Legislature**

I was honoured to be re-elected as MLA for Saskatoon Stonebridge-Dakota, which includes

Dundurn and the RM of Dundurn, in the provincial election on October 26, and to be sworn in as Minister of Energy and Resources on November 9. There is lots of work ahead!

I enjoyed door-knocking in Dundurn during the campaign (some warm days, some colder!), and continue to follow Dundurn Farmers Market, Dundurn This and That, Dundurn Community Association, and The Food Pantry on Facebook for all the latest community updates. I plan to organize a BBQ in Dundurn as soon as COVID restrictions are effectively lifted.

The SaskParty government received a strong mandate on Election Day, and we are now at work responding to the realities of COVID-19 while managing our economic recovery.

A number of health measures were introduced on November 16, which will be subject to review by the Chief Medical Officer in 28 days.

Mandatory masking in indoor public spaces was expanded to all Saskatchewan communities with populations of 5,000 people or greater, including Dundurn, Aberdeen, Clavet, and Bradwell. Due to the proximity of some neighbouring communities to

large urban centers such as Saskatoon, Regina, and Prince Albert, and a high rate of retail, workplace and service integration, some communities or municipalities were included even if their independent populations are fewer than 5,000 residents.

Also in effect as of November 16 (for 28 days) is a curfew on alcohol sales in licensed establishments. All Saskatchewan restaurants and licensed establishments (bars, taverns, nightclubs) are required to stop serving alcohol by 10 pm, and consumption must end by 11 pm, with no exceptions for private events or outdoor serving spaces.

School divisions reduced in-class learning for 28 days for high schools with 600 students or more. As well, aerobic group fitness activities (i.e. spin classes, class circuit training, aquasize, etc.) were limited to a maximum of eight participants.

- Group aerobic activities are permitted only if participants remain three metres apart through the duration of the activity.
- Individual aerobic activities (i.e. treadmill, stationary bike, lane swimming, etc.) are permitted if all required equipment is properly distanced according to Re-Open Saskatchewan guidelines.

As we approach the Fall Session of the Legislature, please remember that I am here to help and represent you. If you require assistance with government programs or services; have ideas, questions or concerns—or important milestones that you would like officially marked—please contact my MLA office.

I look forward to hearing from you and continuing to be your voice in the Legislative Assembly of Saskatchewan.

Finally, I wish you and your family a very Merry Christmas, Happy Hanukkah and holiday season! Stay warm and well.

**REV ANDREW APPLEDORE - DUNDURN & HANLEY UNITED CHURCH**

2020 has been a challenging year and, unfortunately, we are still in the grips of a pandemic. We are all struggling with the disruptions and anxiety this virus has caused in our lives. However, we can each play our part in caring for another and keeping each other safe by following the guidelines issued by the SK Health authority. For this reason, the Dundurn United Church will not be holding its Christmas Eve service. This decision comes with great sadness as many people have made attending

this service part of their family tradition. But our priority is to keep each other safe. We will still celebrate the hope and joy of Christmas but in different ways. On Christmas Eve the church bells will ring to celebrate the birth of Christ. The church lights will be turned on to shine through the beautiful stained-glass windows symbolizing the light of Christ that continues to shine - no matter how dark our world may seem.

In these challenging times may you find strength in the

love of family and friends and may the light of Christ fill you with hope and joy. And in the words of the Moderator of the United Church of Canada; "It is impossible to cancel Christmas." Christmas is celebrated each time we live love in our homes and in our communities. Let us "be" Christmas this year.

On behalf of the Dundurn United Church, I wish you all a very happy and safe Christmas. God's peace and blessing to you all.
