Strategic Plan 2024-2033

March 27, 2024

The Town of Dundurn is excited to announce the official launch of its comprehensive ten-year Community Strategic Plan. This plan, developed in collaboration with Bloom Centre for Municipal Education (CME), outlines the vision for progress and development from 2024 to 2033. "Council has shown a drive to reach a sustainable future through investing in the development of its Town, and it's great to see everyone working together to accomplish these set out goals" states Tim Duhamel, President of Bloom CME.

This landmark initiative reflects the town's commitment to fostering sustainable growth, enhancing community well-being, and creating a prosperous future for all residents. It is the result of consultation with community stakeholders, local leaders, and residents, ensuring it reflects the objectives and needs of the town.

"At the heart of our community lies a shared vision for a vibrant, successful and close-knit community" said Curtis Boyes, Mayor of Dundurn. "This ten-year strategic plan encapsulates our collective aspirations and provides a clear blueprint for achieving our long-term goals. It is a testament to the dedication and spirit of collaboration that defines our town."

Council members have a clear vision for the future of Dundurn and are dedicated to taking tangible steps to achieve the priorities outlined in the plan. Council aims to establish Dundurn as a destination of choice by investing in recreation, wellness through improvements to parks, amenities, and infrastructure. With the introduction of new programs to the community, along with having the opportunity to invest in the Town's economy through business and infrastructure developments, Council believes that this strategic plan showcases the small-town charm of Dundurn.

The Town of Dundurn welcomes the participation of all residents, businesses, and stakeholders in this historic endeavor. They encourage everyone to contribute to the realization of the community's vision for a thriving and resilient town.
